SWAN DECANTIERE

Art no.: 449115

EAN: 4 897032 181625

PRODUCT:

- Enhance the taste
- Easy pouring
- Instant aeration
- Build-in filter
- No-drip edge
- Covers foil edges
- Hides screw treads

An easy to use tool for wine lovers.

Decants the wine instantly as you pour from the bottle.

A built-in filter protects against wine stone and cork residues.

The outer collar conceals the foil and also the thread of bottles with screw cap.

Perfect for both red and white wines, young and old.

The ingenious features of Vagnbys successful Decantiere are refined. Here with the beautifully curved spout pouring your wine in the most graceful way. As it was an fairytale, the wine develops and opens when it is poured with the sculptural Swan Decantiere. A delight for taste buds, ears and eyes. Enjoy!

As a lake's glassy surface, the light is reflected in stainless steel. The surface catches the light and gives a fantastic effect and the curved forms become fully expressed.

THE SWAN FAMILY

The Swan family is inspired by Danmarks National Bird, The Mute Swan, who majestically swims in the water with its beautiful curved neck.

In an marvellous way, Karina Mencke & Marcus Vagnby has transformed the swan's shapes into functional and sculptural products.

Experience the sublime design and live the fairytale with Vagnbys Svane Family.
